^Applied to increase proposed solar system size from earlier conditional certification

^^Applied for certification of brownfield acreage to append to a conditionally certified landfill project

* Superseded by updated or changed application (5 projects)

Completed/Fully Certified capacity reports amounts applied for or approved by Board Order and not installed capacity.

Certification Status:	#	MWdc
Completed / Fully Certified	18	179.92
Denied	10	98.27
Conditionally Certified	15	124.12
Withdrawn or Expired	12	75.94
Pending review, tbd	13	202.31
Total unique applications	68	680.55

This spreadsheet provides a characterization of the Subsection t application data submitted to Board Staff and current status as of 12.30.20.

For more up to date information on the current status of Subsection t applications that have received conditional certification and final installed capacities of projects that have received full certification from the NJBPU, see
